

Vivet Therapeutics' Cookie Policy

Our cookie policy provides information about the cookies on our website, their purpose and how to manage them. When visiting the website for the first time, we recommend that you read this policy carefully.

1. General information about the cookies on Vivet Therapeutics' website

Vivet Therapeutics SAS ("Vivet"), as editor of this website, may place a cookie on the hard disk of your device (computer, tablet, mobile, etc.) to ensure optimal functioning of the website. Cookies are small text files which enable us to recognize your computer, tablet, or other mobile device. The data collected by cookies does not allow us to identify you individually. It is used with the sole aim of ensuring the smooth operation and performance of our website. No data is communicated to third parties unless Vivet has obtained your prior consent, or unless such disclosure is required by law, by court order, or by any authorized administrative or judicial authority. To help you understand what data is identified by the cookies, see below for a list of the different types of cookies which may be used on the Vivet website; their name, their purpose, and how long they are kept.

Cookies are stored for a period of 13 months and then automatically erased/destroyed. You also have the possibility at any time on your internet browser to manually suppress all types of cookies.

2. Types of cookies used by Vivet Therapeutics' website

Below is the list all cookies used by our website:

<u>Name</u>	<u>Category of cookies</u>	<u>Function</u>
<u>wordpress_test_cookie</u>	<u>Strictly necessary</u>	<u>Cookie set by WordPress (web content management system) to check if the user's browser supports cookies</u>

<u>Recaptcha</u>	<u>Performance</u>	<u>Cookie used for the contact form / can be disabled by the user</u>
<u>Google Maps</u>	<u>Performance</u>	<u>Cookie used for the correct functioning of the Google map locating Vivet offices / can be disabled by the user</u>

Cookies exempt from consent – strictly necessary cookies

In accordance with the recommendations of the French National Commission for Information Technology and Civil Liberties (*Commission Nationale de l'Informatique et des Libertés, CNIL*), certain cookies are exempt from prior consent if they are strictly necessary for the functioning of the website, or are solely intended to enable or facilitate electronic communication. This mainly applies to session ID and authentication (detection of connection errors, identification of connection points, etc.) cookies. These cookies are necessary for the website to function and cannot be switched off.

Cookies requiring your prior consent – performance cookies

This concerns performance cookies placed by Vivet as publisher of this website. These are cookies used for the functioning of the Google map locating Vivet's offices and cookies used for the functioning of the contact form.

3. Setting your cookie preferences

You can accept or refuse performance cookies at any time.

When you visit the Vivet website, a banner giving brief information about the installation of cookies appears at the bottom of your screen. You are considered to have consented to the use of cookies if you click on the "Ok, Accept all" button on the right-hand side of the banner at the bottom of your screen.

Otherwise, you can either click on the "Deny All Performance Cookies" button (all performance cookies will be switched off). Or you can click on the "Personalize" button on the bottom of the webpage to individually select each cookies category you accept or not. For Vivet's Therapeutics' website this is limited to 2 categories: Google Maps and reCAPTCHA cookies described in the previous section.

You have possibility to change this cookies preference at any time during navigation on Vivet's website through a specific button on the bottom left corner on each page linking to the cookie preference center.

Regarding strictly necessary cookies, you have the possibility on your internet browsers to manually suppress them at any time. Without these cookies, we would not be able to provide you with services like enabling appropriate content based on your type of device during your navigation.

Withdrawing or obtaining your consent to cookies

You can give, withdraw or modify your consent at any time.
